

Mexico - Instituto Tecnológico y de Estudios Superiores de Monterrey (ITESM)

Grade Conversion

Each institution has their own system for evaluating student coursework, which may include differences in the number of credit hours earned for courses. The following articulation information has been agreed upon by Illinois State University and your study abroad host institution.

Grade Conversion

ITESM Grade	ISU Grade
90-100%	A
80-89%	B
70-79%	C
1-69%	F

Credits Earned Conversion

Students will earn 3 credits when successfully completing 8 Tec Units at ITESM. Some courses (e.g. laboratories, workshops) may be worth more or less than 3 credits, however, this will be noted by ITESM as something other than 8 Tec Units.

- **Summer participants:** register for INB 245.18 and INB 398.01 (3 hours each).
- **Fall/Spring participants:** choose their own courses.

ITESM Units Earned	ISU Credits Earned
8 units	3 credits
16 units	6 credits

Grade Articulation Process

Upon your program completion, an official transcript from your host institution will be sent to the Office of International Studies and Programs. Upon receipt, your transcript will be forwarded to the [Office of the Registrar](#) for evaluation. Your transcript and [Academic Planning Form](#) will be used together to determine the ISU equivalent credit, which will be entered into your ISU grade report. All grades earned during study abroad will impact your ISU cumulative GPA.

Please see the [transcript section](#) of the study abroad website for details on estimated processing time as well as how to view your grades.
