### The process of grade articulation:

At the end of your program, a transcript from your study abroad university will be sent to the Office of International Studies and Programs. Your transcript, together with the Course Placement Request Sheet you completed as part of your application, will be evaluated. You will receive equivalent ISU grades on your transcript which will count toward your GPA. This process can take time. **Please be patient!** If it has been more than two months since the completion of your program and you have not received any grade information, please contact a study abroad advisor.
