Grade Conversion

Each institution has their own system for evaluating student coursework, which may include differences in the number of credit hours earned for courses. The following articulation information has been agreed upon by Illinois State University and your study abroad host institution.

Grade Conversion

ECU Grade	Percent	ISU Grade
High Distinction	80-100	A
Distinction	70-79	A
Credit	60-69	B
Pass	50-59	C
Fail	40-49	D
Fail	Below 40	F

Credits Earned Conversion

ECU Credits Earned	ISU Credits Earned
15 credit points	3 credits
20 credit points	4 credits

Grade Articulation Process:

Upon your program completion, an official transcript from your host institution will be sent to the Office of International Studies and Programs. Upon receipt, your transcript will be forwarded to the [Office of the Registrar](#) for evaluation. Your transcript and [Academic Planning Form](#) will be used together to determine the ISU equivalent credit, which will be entered into your ISU grade report. All grades earned during study abroad will impact your ISU cumulative GPA.

Please see the [transcript section](#) of the study abroad website for details on estimated processing time as well as how to view your grades.
