

# Groupe L'Ecole Superieure d' Agriculture (ESA)

## Grade Conversion

Each university evaluates their students slightly differently. Sometimes there are even differences in terms of credits earned. The following articulation information has been agreed upon by Illinois State University and your study abroad institution.

### Grade Conversion

ESA uses the ISU system for grade conversion.

ESA Grade	ISU Grade
90-100% (14-20)	A
80-89% (8-13)	B
70-79% (2-7)	C
60-69%	D
59% and below (less than 2)	F

### Credit Conversion

Upon successful completion, students will receive credit for 2 of the following courses:

AGR 289.21 Introduction to International Agriculture (3 credit hours)

IDS 133.05 French History, Culture, and Civilization (OC-H) (3 credit hours)

INB 245.12 Business Studies Abroad (3 credit hours)

### The process of grade articulation:

At the end of your program, a transcript from your study abroad university will be sent to the Office of International Studies and Programs. Your transcript, together with the Course Placement Request Sheet you completed as part of your application, will be evaluated. You will receive equivalent ISU grades on your transcript which will count toward your GPA. This process can take time. **Please be patient!** If it has been more than two months since the completion of your program and you have not received any grade information, please contact a study abroad advisor.
