

# Lorenzo de' Medici

## Florence, Rome, Tuscania, Venice, 3 City

### Grade Conversion

Each university evaluates their students slightly differently. Sometimes there are even differences in terms of credits earned. The following articulation information has been agreed upon by Illinois State University and your study abroad institution.

**All Lorenzo de' Medici (LdM) campus grades follow the standard American system of grading.**

LdM Grade	ISU Grade
90-100	A
80-89	B
70-79	C
60-69	D
0-59	F

#### Credit Conversion

Credits earned are the same as at ISU (i.e. 3 credit hours/course, 4 credit hours/course).

#### The process of grade articulation:

At the end of your program, a transcript from your study abroad university will be sent to the Office of International Studies and Programs. Your transcript, together with the Course Placement Request Sheet you completed as part of your application, will be evaluated. You will receive equivalent ISU grades on your transcript which will count toward your GPA. This process can take time. **Please be patient!** If it has been more than two months since the completion of your program and you have not received any grade information, please contact a study abroad advisor.
