

Universidad del Pacifico

Grade Conversion

Each university evaluates their students slightly differently. Sometimes there are even differences in terms of credits earned. The following articulation information has been agreed upon by Illinois State University and your study abroad institution.

Grade Conversion

Pacifico Grade	ISU Grade
17-20	A
14-16	B
11-13	C
Below 11	F

Credit Conversion

Upon successful course completion, students will earn 3 ISU credit hours per course taken at Universidad del Pacifico, unless stated otherwise.

The process of grade articulation:

At the end of your program, a transcript from your study abroad university will be sent to the Office of International Studies and Programs. Your transcript, together with the Course Placement Request Sheet you completed as part of your application, will be evaluated. You will receive equivalent ISU grades on your transcript which will count toward your GPA. This process can take time. **Please be patient!** If it has been more than two months since the completion of your program and you have not received any grade information, please contact a study abroad advisor.
